INSTRUCTIONS for Application for Registration of Mark

IT IS IMPORTANT that you read and understand these instructions before you begin to complete the application form. Failure to complete the form correctly or to provide all the requested information will result in the application being returned. If you have any questions please contact 515-281-5204.

All items must be completed before the application will be considered. If there is insufficient space on the form to provide all requested information, use additional pages as required, numbering to correspond to the item. Other documents or materials may be attached to the application. In such cases the material or documents should be referenced to the form and clearly marked for ease of identification.

- Item 1** Print the name of the applicant. If the applicant is other than a natural person, the complete legal name of the business entity must be provided.
- Item 2** Print the business address of the applicant.
- Item 3** Check the box that describes the applicant. If "other" is checked, state the type of entity; for example "limited liability company."
- 3a If the applicant is a corporation or other business entity, print the name of the state in which the entity is incorporated or registered.
- 3b If the applicant is a partnership or limited partnership, print the name of the state under whose laws the partnership was organized, and the legal name of each of the general partners.
- Item 4** Describe the type of business engaged in by applicant. Be as specific as possible; e.g. a company in the business of manufacturing and selling track mounted earth moving equipment; or a business to provide dental services to children.
- Item 5** Describe the goods or services that will carry the proposed mark. Be as specific as possible. Do not just say "clothing," but indicate the type of clothing; e.g. boy's casual clothing, women's sportswear, women's jeans.
- Item 6** Indicate the class number and the class title of goods or services that will carry the mark. This information can be found on the sheet accompanying the application form, or may be obtained from the Secretary of State by calling 515/281-5204. **ONLY ONE CLASS MAY APPEAR ON THE APPLICATION.** If multiple classes are sought, each class must appear on a separate application.
- Item 7** Provide a brief description of the way applicant will use the proposed mark; e.g. as a slogan to introduce or promote the sports section of a TV news program, or as a logo to appear on product packaging. Be specific and include all ways the mark is intended to be used.
- Item 8** Describe the proposed mark in sufficient detail such that a person who has not seen the mark would be able to comprehend what it looks like after reading the description. The description should include any colors which will be used, any specific fonts applied to words, or any specific designs, shapes or borders.

Item 9 List any word, phrase, design or shape included in the proposed mark for which exclusive use is disclaimed or not being sought.

Item 10 State the date the mark was first used in commerce in the state of Iowa. "In commerce" means such activities indicating an intent to use the mark continually followed by continuous use such as being used in advertisements for the good or service, being attached as a label to the goods, appearing on company vehicles, uniforms, packaging or stationary. If the mark has been used outside the state of Iowa, give the date of first use and the name of the state.

Item 11 If an application to register the proposed mark, any portion of the mark, or any composite including all or part of the proposed mark has been filed in the United States Patent and Trademark Office, this section must be completed.

Item 12 In reviewing the proposed mark, if the possibility exists that the mark may be rejected as descriptive or misdescriptive of the goods or service, the applicant may submit with the application such documentation or information to establish that the mark has acquired a "secondary meaning," i.e. that the public has come to associate the mark with a single source or producer.

***REMEMBER TO SIGN AND DATE THE APPLICATION ON THE BOTTOM OF THE 2ND PAGE.**

40.6 (2) Assistance in applications.

The secretary of state cannot give legal advice as to the nature and extent of the protection afforded by law nor advise as to the registrability of a specific mark except as questions may arise in connection with pending applications.

40.6 (3) Incomplete or defective applications.

An application will not be filed unless the application and accompanying fascimiles or specimens are in proper form, comply with the statutory requirements and are accompanied by the statutory fee. Specimens which are metal need not be submitted, a fascimile being preferable in order to avoid filing problems. Documents not filed will be returned with a statement of the reason therefor.

40.6 (4) Registration dates.

The registration date is the date on which the mark is actually posted in the registration indices of the office of the secretary of state, after the application has been examined and found acceptable.

40.6 (5) Form of application.

The application shall be on a current form supplied by the secretary of state, be completed in the English language and plainly written or typed. If the mark or any part thereof is not in the English language, it must be accompanied by a sworn translation.

40.6 (6) Withdrawal of application.

Prior to actual registration of the mark, the applicant, by written request, may withdraw the application.

40.6 (7) Plurality of goods in a single application.

A single application may recite a plurality of goods, or a plurality of services, comprised in a single class, provided the particular identification of each of these goods or services be stated and the mark is used or has been actually used on or in connection with all of the goods or in connection with all of the services specified.

40.6 (8) Single class in one application.

A single application to register a mark for both goods and services or for goods or services in different classes will be rejected. Applications must be restricted to goods or services comprised in a single class.

40.6 (9) Conflicts.

Whenever application is made for registration of a mark or trade name which so resembles a mark registered in this state or a mark previously used in this state by another and not abandoned, as to be likely, when applied to the goods or services of the applicant, to cause confusion or mistake or to deceive, a conflict shall be declared to exist and registration denied.

40.6 (10) Conflicts between applications.

Conflicts between pending applications will be resolved on the basis of the claimed date of first use. The secretary of state may require affidavits and other proof of first use.

40.6 (11) Record change on automatic transfer.

In the event of mergers or consolidations of corporations, a certified copy of such documents may be accepted to transfer ownership of marks. If the name of the owner of record of a mark is changed, and request for a change of the records is made, then written proof of such change can be made by sworn affidavit showing the manner or mode by which the change of ownership was made.

40.6 (12) Change of address.

If the registered owner of a mark changes the address set forth on the registration, then written notice of such change of address must be given to the secretary of state. Such notice must clearly identify the mark or marks involved and must request that the change of address be noted on the records of the registration on file.
